My boyfriend got me into fixing old cars, that is cars from the fifties and sixties. After we finished, we would always christen them with oral sex in the front and a good fuck in the back. Since the fronts were usually bucket seats, the easiest way was with a blow job or cunny. The back seat saw a whole lot of action, so there are people out there fucking in cars that we already broke in.

## I DIDN'T DO IT BUT I'LL DO YOU

The other day a hunky cop came to the house asking if I had shoplifted at the grocery? My neighbor was there and she started to video the encounter. He showed me his badge and credentials. Then I told him it was not me and told him he could search the house -- or me -- if he had to. He told me that he had to. At first I thought he was kidding, but as you can see from the photos and the video, I proved to him that it was not me.

### ARE YOU SURE?

I am a straight man and have never had any contact with a lesbian. However I get more of a thrill from reading about and looking at girl-on-girl adventures, and watching lesbian videos than I do straight porn. Maybe it is because there is way-too-much emphasis on cock-sucking. I enjoy having my penis ravished by a beautiful woman, but there is a lot more to foreplay than cocksucking. My most enjoyable part is slowly undressing a woman while fondling, licking and kissing her all over. When she is nice and hot, I greatly enjoy going down on her, teasing her slit and eventually tantalizing her clitoris. She will usually have a very intense orgasm. After she has come down, I like to lie next to her, play with her tits and nipples and have her get me off by hand, or better yet, by mouth. So much for cocksucking.

To the editor,

Your issue of Wild MILFs with Mikayla on the cover was smokin' hot. The photos of her and Kimberly were just amazing. It was super hot as they are. When I went to the website and saw the video of the two of then, I came in the first 30 seconds.

### SHOW YOU MINE?

Two years ago I decided to go back to summer school to further my education. It turned out to be a lot of fun. I didn't learn much but I got to fuck a lot of girls that I met there. I thought it was such a cool thing that I decided to enroll in night school this September and see what that was all about.

I took an art class because I though the most liberal girls would be in it, and was I right. There were three of them and one was married and a couple had kids but no husbands. As far as I was concerned, they were all fair game.

I was drifting off in class, trying to fall asleep when I hear, "Blake, quit staring at my butt?" That was Olivia, the blonde MILF that sits right in front of me. "I'm not, but you know your ass is so hot." She turns around and giggles at me. I pick up the sign this time and after class invite her for coffee.

We go to the corner coffee shop and find a small sofa to sit at. I get the drinks and we get to talking about our sex lives. Mine isn't too interesting and, it turns out, neither is hers. She says her boyfriend has a small cock. She thought it was cool at the start because she could easily get it all in her mouth, but when it never got any bigger, it never satisfied her pussy.

She asks me what my size is and I brag that it's eight inches. She leans over and looks at my crotch and says let me see it! She reaches down but I stop her. We're in a public place, I thought.

But now the damage was done. My penis starts to grow in my pants. I wanted to take it out and show her but I didn’t.

She suggested we go back to my place so she could see it. How could I refuse, horn dog that I was. We get to my place and park it on the couch. “I gotta get home soon, so let me see it.” she says. Immediately she unbuttoned my pants and pulled them down.

She grabbed it, and when she saw it perk up after fingering it for a second, she started asking me all sorts of questions because she said her man had lost interest in sex.

I told I hadn’t, as she could see from my now seven-inch-on-the-way-to-eight-inches cock. She giggled some more when I asked to see her boobies. She unbuttoned the front of her shirt and there they were, full and round in her bra. I took off her shirt and went to take off her bra when she looked at me smiled and turned around. She told me how bad she had been and that I should take it off for her.

After that, I took off her panties and started to rub her clit. She told me to rub faster so I rubbed faster with my tongue darting in and out of her pussy. She seemed to really enjoy it so I went faster until she said watch out, but that turned me on more so I kept licking. When she came she screamed. I lapped up her pussy juice but left plenty for lubrication. She turned around and grabbed my cock and she was going to please me now. She grabbed my penis and shoved it in her pussy only once to get the juices all over it, then she started to work her magic. Her hands were way better than mine, softer, more tender, more attentive. Then she started making rings around the head with her tongue. Within three minutes of this attention, I managed to get a “I’m cumming!” out of my mouth but she sucked on it until I was screaming in pain because of how tender it got after cumming.

But Olivia couldn’t stop. I could only watch as her tongue circled the head once more being sure to get under the rim, searching out every last drop. When she finally was satisfied, she hurriedly got dressed and headed for the door. “I gotta go right now.” she said. “I’m gonna give my boyfriend the best blow job he’s ever had.” Damn, and there wasn’t a damn thing that I could say to that?

*– Marco in Louisville*

## YOU TEASE, YOU…

Despite my youngish age, I have always been told that I have an old soul; although I know myself to also have a naturally youthful attitude toward life, and understanding of the absolute importance of joy and ultimately, of sex. In this crazy world sometimes it is the most essential, and human of needs that are left by the wayside. Since I have a great passion and inner need to look after and care for people, I am determined to cater to all of these needs. This could be having an open ear for you, a gentle touch, sharing laughs, experience intimacy and providing genuine companionship. Having an open heart, help you to love yourself, make you feel at ease, relaxed, content, and in general just better for a while, is what I would like to do. To me, this is what a good companion does and I strive to be your perfect partner in escape and fun.

Just like the time I knew I was being naughty and I knew I was excited by it but I just kept kissing, opening my mouth and letting his tongue explore mine, sharing our breathing until we'd started rubbing our hips together. My boobs were mashed against his lower chest and I could feel hardness against me, the hardness between his legs.

In a few more minutes he asked me if I was still okay with this and my answer was putting one of his hands on my breast then reaching down between us and feeling his cock through his pants while starting a very deep kiss which I remember ended with him taking my hand and leading me into the bedroom. There he pulled the hem of my skirt up with his hands and rubbed my butt while I touched the skin of his back after pulling his shirt out of his pants. Eventually, I reached around and fumbled a bit with his belt buckle, his zipper and, breathing really, really fast, forced my wrist and hand inside his opened pants until I could actually feel the skin of his cock.

It was hard, very thick and quite long with two large, very warm balls beneath. The head was covered by skin when I first touched it and I knew I was feeling my first ever uncut cock, actually, the third or fourth cock I'd ever felt. When I touched the tip, then fondled his balls, he squirmed, moved his legs apart and reached around to take my skirt off and find the waistband of my panties, pull it back and slide his big fingers down to the black, thick hair on my front down low and then rub the very wet lips of my opening.

When he did that I almost fell on the floor as my legs suddenly went very weak. He caught me, lifted me and took me to the bed where I remember he leaned me against it, removed my top, my bra, slid my lace panties and skirt off – while first admiring them then flattering me. He then stood, never taking his eyes off me, and dropped all his clothes and sat me down facing him.

A proper lady is only a tease. She does not kiss and tell. You must fill in the rest as I am only interested in the satisfaction of my partner, not the reader.

## CUM FUCK MY TIGHT BOOTY

I love Indian food, champagne and flowers, and I relish every moment of life without hurry or concerns. I run in the fast lane but always take it nice and slow. I take my men lightly, but sex seriously. I want to be sure there is the right connection before I put my body and emotions on the line. But when I do, it's all out. Every part of me is in for the flight to ecstacy and you can be my co-pilot. Just be sure that we land together.

## I SAY OUI, OUI TO JEAN-CLAUDE

I think it all started early with me. I loved to masturbate and run my fingers all over the sexy parts of my body. I'd pinch my nipples hard until they were very sore. Then I discovered that playing with my butt felt really good. Now I let guys do that for me and every one has loved playing back there.

I heard a neighborhood kid call out MILF the other day. I turned around looking to find one when I realized he was referring to me. At first I thought he should wash his mouth out, then I realized it was a compliment. I walked around the house saying 'You're a MILF, babe.' with a smile on all day long. Then when my man got home I told him what happened, he smiled and fucked his very own MILF.

# the box as a bed

I'm headed home from the ball game I just attended at Fenway. The Red Sox beat those damn Yankees, which made the drive home a lot easier. I live across the river in Cambridge and work at a downtown bank as a security guard. I pulled into my cul-de-sac and noticed my neighbor's wife moving boxes around in her garage. She seemed to be struggling with some of the larger ones when I pulled over to the mouth of her driveway, rolled down the passenger window and leaned over.

"Hi Kathlyn." I called out. "Whacha doin'? Do you need some help with those boxes?"

"Oh, hi R.C. If you had a few minutes, I could really use some help. Peter is at the office again today. Some meetings about the economy." Peter worked for a think tank and ever since the 2008 recession, has hardly ever been home on the weekends. I've seen Kathlyn putzing around the yard and the garage, but this is the first time I've stopped to help her.

"Sure, Kathlyn. Let me park the car and I'll be right over." I pulled a few feet further down and into my driveway, not bothering to put it into the garage. I grabbed some work gloves from the trunk and walked over to her garage. She had pulled out a bunch of brown boxes and some suitcases into the first few feet of the garage. It looked like she was clearing an area out or looking for something. Something I wouldn't know until I asked her.

"Hey, whacha got going on? Looking for something back there?" I asked as I walked closer to the boxes. Kathlyn was about 35 years old and looked it. She has told me of many stressful times with Peter over the years, and her face seems to bear some of that. This is one of the few times I saw her without makeup. She had naturally pretty features with a slim athletic body, long dirty blonde hair that she had under a bandana today. She was wearing an oversize t-shirt that was tied in a big knot at her hip and falling off her shoulder, revealing no bra strap. Peter was probably in his late forties, but looked a few years younger. His hair was beginning to gray, but he was in good shape cause I would see him jogging almost every morning as I headed to downtown. He's been working on plans to keep the economy running and I commend him for that.

"I'm trying to get that treadmill in the corner out so I can set it up on the back patio. I don't get up as early as my husband to jog but I want to get some kind of exercise during the day. I was going to put it on this little dolly and try to muscle it through the house and to the patio." she said.

"Looks like I came just in time." I replied. She had moved most of the boxes that were in the way. I went over and moved the last few and pulled the treadmill out a little way. I motioned to her to get the dolly and to slip it under the treadmill as I tilted it back. She moved the last couple boxes in front of the path to the interior garage door as I pushed the machine towards it. I maneuvered it to go straight through the door and she got on the other side of the door jamb and helped by lifting the front as I pushed from the back. We managed to get it through the house and out to her patio.

"This is just perfect. Thanks so much. I'll clean it up and check it out to be sure it's working tomorrow." she said. I pulled the dolly out from under the machine and we headed back to the garage. She detoured to the kitchen and got a couple of beers for us.

I was already moving boxes back to where they were and she came over and offered me the bottle. I took it and we toasted with a dull clunk. She looked directly at me, almost making me embarrassed. I felt a little pang in my jeans as I stole a glance at her now pert nipples poking at the t-shirt. She saw me look but didn't say anything. We put our beers down and started moving the boxes around in earnest. I would drag in the ones from the driveway and she would put them back, except for the heavier ones that she would direct me to put away. After about forty-five minutes and working up a good sweat, she sat on one of the fuller boxes and patted the one next to her for me to come and sit.

"We make a good team. That went a lot faster and smoother than if I was to do it all be myself." she said between sips of her beer. "Thanks, R.C. Can I give you a little something for your help, or at least for your time?" she asked as she put her hand on my thigh. I didn't take that to be a forward act, just a 'thank you' gesture.

"It's Saturday, Kathlyn. I don't work on Saturdays, so there's no need to pay me anything." she laughed.

"I didn't say I was going to pay you, I said can I *give* you anything." Kathlyn said as she slipped her hand up to my crotch. Now that was definitely a more personal gesture. She got up and went over to the garage door closer and pushed the button. The heavy door screeched and whined as it lowered itself, slowly dimming the light in the garage. Kathlyn turned the dim ceiling light on and walked back to where I was. She put her hand behind my neck and pulled my head towards her.

**I slid my hands under her panties and began squeezing and massaging her ass.**

She lowered her head to mine and our lips locked. I could feel her warm tongue sliding into my mouth. As the kiss deepened, she pressed into me. The heat from her body was a catalyst to my already hard cock. She broke off the kiss, took my hand and told me to adjust a few more of the boxes. After another deep kiss, she stepped back and untied the knot in her t-shirt and lifted it up and off her. I looked at her beautiful full breasts with half-dollar sized pink nipples as she undid her jeans and dropped them to the floor. She stood in front of me in her cotton panties and nodded. I understood that meant that I should remove my shirt.

Kathlyn moved her body to me and pressed it into mine. I felt the softness and heat of her boobs against my chest. She guided me backwards until my knees gave way against the boxes. My butt dropped down onto them and then she pushed my shoulders back so I was lying down. She climbed onto the boxes and pushed her groin against me, then relaxed and then pushed her groin into me again. Instinctively my hands slid down over her ass, squeezed and pulled her tight to me. I slid my hands under her panties and began squeezing and massaging her ass. As my right hand slid across the crack of her ass, I had the first touch of her pussy. It was more than just a little moist. I stretched my arm letting a finger slide across pussy to her clit and gently stroked it.

I rolled her over carefully and backed off the boxes so I could kneel in front of her. I let my tongue slide down across her chin and neck until I had the first taste of her boobs. With her nipple loosely between my teeth, my tongue played with it. Then I started down across her belly to her mons. When I reached her panties she was soaking wet and I teased her pussy and clit through her panties. I grabbed her panties at the waistband, lifted her ass off the box and slid her panties off her. The smell of her pussy was like a magnet to my tongue. I felt her twitch as my tongue slipped into her slit. When I started concentrating on her clit, I slid my right index finger into her moist pussy. I only finger-fucked her for a few seconds when her pussy became opened up that I had no choice but to add my middle finger into that spot as well. With her clit between my lips, I gently sucked and licked until she arched her hips towards me. A moment later she was at her first cumming.

I stood up and unbuttoned my jeans, gratefully releasing my rock hard cock, and pulled them off. I slid my arms under her legs, grabbed her ass and pulled her forward so that she was sitting on the edge of the box. With my cock in my right hand, I ran the head of my cock across her pussy letting it dip in just enough to collect some of the moisture. Then I ran the shaft of my cock across per pussy, letting it slide up and down across her clit. It was more stimulation than she could bear. “Don’t tease me.” she moaned. “Put it in.”

I slid my cock deep into her pussy with my first thrust. By the fourth, she was gasping louder and louder. I was driving my cock into her. On each stroke she gasped and moaned. Her right hand drifted down between her legs. As she massaged her clit, her moans became muffled. I could see her biting her lower lip. Kathlyn blurted out between gasps as her body started shaking again. I slid my cock all the way in and held it there while her body rattled through another orgasm. She looked a little surprised as I reached out and rolled her over onto her knees. I was going to fuck her again, and there was no objection. I had her doggie style on the box now. With cock in hand, I came up behind her and slid it back in. I’d given her pussy a fairly good fucking while she was balled up on the box.

I grabbed her hips and settled into a steady pace. At first she was on her hands and knees and there wasn’t much noise. But after a few minutes I could hear the shortness of breath returning. Then the soft moaning started. Finally she dropped her head down onto the box. Her arm reached back down under her stomach to give my balls a good squeeze and pull of my scrotum skin.

As I doggie fucked her, I slid my finger into her pussy getting it nice and wet before taking it out and rubbing it over her anus. As I massaged the puckered hole, I knew from Kathlyn’s moans that she would probably enjoy having something in her ass. Her moans deepened and her breathing got shorter as her third climax neared. My thumb penetrated her butthole an inch past my fingernail while her body trembled in another orgasm, holding my cock deep inside her as I waited for her to stop climaxing.

I pulled out of her, my cock dripping with her pussy juices. Kathlyn turned and stood up. She dipped a couple fingers in her pussy and then put them into my mouth. I tasted her sweet juices and my hard cock seemed to get even harder. She reached down and grabbed it, stroking it up and down.

“So you saved this for my mouth, did you?” she whispered. I just murmured, ‘mmmmm’ as she dropped down in front of it and took it into her mouth. With her head bobbing up and down, I could hear her slurping as she sucked me deep and hard. I arched forward, aching to squirt a load of hot cum deep into her mouth, but she was well ahead of me. She slid her mouth off my cock. Grabbing it with her left hand, she squeezed. She ran her tongue up and down the shaft of my cock and finished with a little ball licking. Then it was back to sucking my cock again. She repeated this twice more. Each time bringing me to the edge of orgasm, then backing off as she licked my shaft and balls while squeezing the head of my cock.

**I had her doggie style on the box now. With cock in hand, I came up behind her and slid it back in.**

With my cock deep in her mouth, I lurched forward grabbing her head between my hands. A week’s worth of cum was spewing out of me into the back of her throat. Slowly she withdrew from my cock, tenderly collecting each drop of cum as she did. Still kneeling on floor with elbows draped over my knees and her head resting on my stomach, Kathlyn pushed me back down on the box, opened my legs even more and buried her face and mouth into my ball sack. I could feel her tongue rolling around my balls as she sucked hard on them. Taking both into her mouth, her lips tightened around my scrotum like a thick, soft rubber band. She stroked my semi-limp cock back to a turgid state and unbelievably pumped a few more drops out of the tip of my cock head. This was totally new to me and I thoroughly enjoyed it. Apparently she did too as she gave out a small chuckle and stood up over me.

## STRAP ON BABES

We have really busy lives and find it hard to carve out a little time for our husbands anymore. We grew more and more apart and we found we liked our freedom. But what we found is that we really like mutual masturbation with each other. As best girlfriends, we've been doing each other since, well, for a long time. We'd get naked and play with each other's clitties. Now we've graduated to strap ons!

# Ice one La Foxy Fuck

My most exciting sexual experience was last year in the middle of the winter in the middle of Central Park in the middle of a van. I was with this guy and we got snowed in for a few hours. We had to share our body heat. We spooned in the middle of his van and I reached behind for his cock. I warmed it up and pulled my pants down and guided it into my pussy. That kept us warm us all night long.

# CHERRY READY TO GET POPPED

I had just finished getting fucked for this layout when the photographer asked me if I had ever cheated. I immediately said NO! But I could sense he could tell I was lying. After the wrap, I confessed that I had and that I kinda liked it. We laughed and he kinda came on to me which I kinda liked. Well, I did it again, with him this time, and I liked it even more than before. I think I'll stay married and cheating.

# ESTRELLA
## HER HANDS ARE THE STAR

Okay, so my marriage barely lasted over a year. Momma told me this was the wrong guy and I shoulda listened to her. This photo shoot is the first one I've done since we split up. I initially found solace in my girlfriends' arms and pussies because I was a man-hater. But I've calmed down and am starting to like men again. Before I start dating again, this was a chance to have sex, and no commitment afterwards.
